

TE WHAITI NUI A TOI TRUST

29 October 2021

Cancellation of General Meeting

Since setting our General Meeting date the situation with Covid-19 has changed and there are now increased risks and concerns, so it is safer that we cancel our proposed hui scheduled for 6 November 2021.

We will look to reschedule at a time when this can be done with more safety and certainty.

In the coming weeks we will provide a newsletter update on the Trust.

Stay safe.
